The Pere Marquette Snowmobile Club was founded in 1988 by a few dedicated snowmobilers who believed in the sport and had a goal of promoting snowmobile trails in Central lower Michigan. We were formally recognized in 1991. We maintain 102 miles of trails, through 5 counties; Sponsors of The White Pine Trail (from LeRoy to just north of Rockford) and the Pere Marquette trail (from Clare to Reed City).

The Pere Marquette Snowmobile Club is a proud member of the Michigan Snowmobile Association.

Our trail system offers many trestles and tunnels with beautiful scenic views along the Muskegon River. Our trails can connect you with the Cadillac, Irons, Wellston and Baldwin trail systems.

We provide both visitors and members alike with information about weather and current trail conditions. Visit www.pmsriders.com and/or www.msasnow.org .

Our goal is to promote safe and responsible snowmobiling in Central Lower Michigan. By doing so, hundreds of hours are spent on the trails every year -- clearing brush and fallen trees and keeping the trails groomed smoothly so you can safely enjoy the sport you love. Without our members we could not provide the safety we strive to maintain.

Help us keep our goal by joining our club.
